

GODSPELL
Cast List

You all did a super job in helping us cast this musical! Assigning parts is a hard job. We placed priority on assigning roles best suited to age and level of experience, vocal range, availability and interest in a sing/speaking role. There are more assignments to be made with regard to dance, extra instrumentation and acting out the parables.

CONGRATULATIONS TO ALL - and I'll see you Sunday afternoon at 5:00!
