**KIMREY-MCCALL SCHOLARSHIP**

The Christian Life Sunday School Class established the Kimrey Scholarship Fund as a memorial to Reuché Kimrey and this was sizably endowed by a bequest from the Willard Kimrey estate in 2001. The Sarah and Earnest McCall Scholarship Fund was established through a bequest from Earnest McCall in recognition of Sarah’s lifelong contribution as a teacher and of their mutual love for education, for children and for their God and Lord. The two funds were combined in 2024 for administrative reasons.

At the discretion of the Endowment Committee, income from the fund is used to grant annual scholarships to high school seniors and college undergraduates who are active members of First Presbyterian Church and who will be attending accredited trade school, two or four-year college or university programs in the following year. Applicants may apply a total of 4 times for this scholarship.

Applicants must submit a completed application form and, if the committee deems necessary, participate in an interview with members of the Endowment Committee who then determine if the application can be approved. Application forms for the scholarships are available from the church office.

Scholarships will be paid directly to the educational institution selected by the student to offset the tuition, fees and other expenses billed by the institution.

The church office must receive the completed application form and all supporting documents by April 25, 2025. Questions regarding the Kimrey-McCall scholarship should be directed to the moderator of the Endowment Committee.

Applicant may attach additional or substitute pages if needed.
